

Birthday Boggler

Clair, Lee, Yuko, Dave, and Erica each have their birthdays in a different month of the year. Use the clues to decide who has their birthday in January, February, May, June, and October.

1. Dave's birthday is four months after Erica's.
2. Clair's birthday comes earlier in the calendar year than Yuko's and later than Lee's.
3. Erica's and Lee's birthday months start with the same letter.

	January	February	May	June	October
Clair					
Lee					
Yuko					
Dave					
Erica					

Use the grid, if you would like, to eliminate possibilities. Put an "x" in a box if you know a name doesn't go with a month. Put an "o" if you know it does.
